### **GDPR Privacy Notice**

#### **1 Introduction**

Newburgh Village Public Hall (“NVPH”, “we” or “us”) is a registered charity, number GB-SC-005172. We are wholly committed to protecting your personal data and respecting your privacy. This Privacy Notice sets out the basis on which any personal data that we collect from or about you, or that you provide to us, will be processed by us. We may update this Privacy Notice from time to time. NVPH's website will carry an up-to-date copy. For the purpose of The General Data Protection Regulation (“GDPR”), NVPH is what is known as a “data controller”.

#### **2 Data Protection Contact**

If you have any data protection queries, please contact the NVPH Day Manager, who is also NVPH’s Data Protection Lead on 07876 656996

#### **3 Data Protection Principles**

NVPH complies with data protection law which states that the personal information we hold about you must be:

- a) used lawfully, fairly and in a transparent way
- b) collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes
- c) relevant to the purposes we have told you about and limited only to those purposes
- d) accurate and kept up-to-date
- e) kept only as long as necessary for the purposes we have told you about
- f) kept securely.

#### **4 Why we need your data and "Lawful Basis"**

The object of NVPH, as stated in its Constitution, is "the provision and maintenance of a village hall for the use of the inhabitants of the Parish of Foveran without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the said inhabitants".

We need to know and retain your personal data in order to provide you with the service which you expect from us, ie to hire NVPH, including (if applicable), updates on matters relating specifically to NVPH and the hire thereof. This includes your name, address, e-mail address and telephone number(s). We will not collect any personal data from you which we do not need in order to provide and oversee this service to you.

All organisations which hold personal data are required to identify a "Lawful Basis" in order to process personal data. Following an overview of what data is held and why, the lawful basis on which NVPH relies is "Contract", ie the processing is necessary to enable NVPH to provide the service expected by the hirer. You are not obliged to provide the personal data in question. However, if you do not allow NVPH to process your personal data, you will not be able to hire NVPH because we will not be able to provide the service you expect from us, ie the contract we have with you.

#### **5 What we do with your personal data**

Personal data, received direct from you, is held and processed by NVPH in order to provide the service to you.

We are contractually bound only to use personal data for the agreed purpose(s). We agree to implement reasonable contractual and technical protections, to keep your data confidential, not sell your personal data to third parties and not to disclose your personal data to third parties except as may be required by law, as permitted by us or as stated in this Privacy Policy.

In appropriate circumstances, we may disclose data to authorised bodies as required by law.

No other third parties have access to your personal data and NVPH does not share or sell personal data, nor will it be used for marketing or fund-raising activities. In the very unlikely event that NVPH wished to use personal data for marketing or fund-raising activities, direct consent would be sought from hirers prior to such activities taking place.

#### **6 How long we keep your personal data**

We will keep personal data for as long as is required to provide the service to you and in accordance with statutory requirements and NVPH's retention policy which is available on request. Any financial data arising from a transactional process will be held securely by NVPH in accordance and compliance with all statutory and HMRC requirements.

## **7 Your rights**

GDPR provides the following rights for individuals (subject to some exemptions):

- a) The right to be informed (implicit in this Privacy Notice);
- b) The right of access to the personal data that we hold about you;
- c) The right to rectification of personal data held about you;
- d) The right of erasure of personal data held about you (also known as “the right to be forgotten”);
- d) The right to request restriction of processing about you;
- e) The right to object to processing;
- f) The right to data portability; and
- g) Rights in relation to automated decision-making and profiling.

If we receive a request in accordance with the above rights, we will respond within 30 days of the date of receipt of the request. You should note that, if you request that NVPH restricts the processing of data about you or you wish to object to processing, you will not be able to hire NVPH in future. No personal data is processed by NVPH for automated decision-making or profiling.

If you wish to raise a complaint on how we have handled your personal data, you can contact NVPH’s Data Protection Lead using the details in section 2 above.

If you are not satisfied with our response or believe that we are not processing your personal data in accordance with the law, you can complain to The Information Commissioner’s Office (“ICO”), full contact details for which can be found at <https://ico.org.uk/about-the-ico/who-we-are/scotland-office/>.
